Dear Stonebridge HOA Homeowners,

In response to the coronavirus (COVID-19) pandemic, we have postponed/canceled all in-person Board of Directors meetings and all walk-in services at our main office until such time that the CDC's ban on social gatherings is lifted. We are considered essential service providers to our communities and we will therefore remain open for business despite the Maryland Governor's recent shut down of all non-essential businesses. Our staff will be available to handle essential matters and emergencies in the face of this world-wide crisis that is changing rapidly every day. We ask that you please contact us by phone or email as we are taking heed to the CDC's warnings and recommendations for social distancing.

In an effort to conduct the business of the Association in light of the COVID19 restrictions and in our effort to better serve our clients during this pandemic, we have looked into different virtual conferencing options to hold regular Board meetings and we have decided to move forward with Cisco WebEx. Effective immediately, all Board meetings will be held virtually using the new WebEx platform on our regular recurring meeting schedule as follows:

First Monday of every month at 6:00 p.m.

The Board of Directors is comprised of eight members of which at least 50% must be in virtual attendance to hold a business meeting. If a quorum is not established, the meeting will not take place. All homeowners are invited to participate in the virtual meeting by following the call instructions and rules attached. Please note that in order to make these meetings as effective and efficient as possible, homeowner comments will be limited to the Homeowner's Forum for the first 15 minutes of the meeting. Homeowner comments will not be permitted during the business portion of the meeting and if time permits, homeowner comments may be taken again before the adjournment of the meeting. Anyone who does not abide by the conference call rules is subject to being expelled from the call by the host.

We will be using e-mail as our main method of communication for these meetings and the new pool system [currently in the process of rolling out]. Please contact us at sambush@abarisrealty.com to provide your current e-mail address to ensure that we have it on file.

We hope our new virtual platform for holding Board meetings will effectively allow us to conduct the business of the Association and to keep operations running smoothly during these unprecedented times. We continue to have the health and safety of our staff and our communities as our highest priority. We hope you all stay safe and well!

Sincerely,
